PQDR HOME PAGE

Choose a PQDR Link	
Create New PQDR	Create a new PQDR record. The user must supply an RCN number
Search for Existing PQDR	Search for a specific record by RCN or Requisition number. If the PQDR is found the system will automatically retrieve the record for viewing\editing. You may also enter partial numbers and then choose from a list of similar RCN numbers.
Select RCN From Worklist	View all of the PQDRs that currently require attention for a given user and\or DoDAAC. You may select any PQDR from this list for viewing\editing
Clone PQDR	Create a new PQDR that includes data from an existing PQDR.
GADROS Worklist	View and Process PQDRs that were initiated by non-PDREP Originators using the GADROS system (Globally Accesible Deficiency Report Origination System). This feature is only available for Screening Points that belong to one of the default Navy or Marine activities.
Choose a Search Link	
Advanced Search	Search PQDRs based on Level, Activity, Year, User ID, NIIN, Status, or Control Number.
